

Basic page styling guide

So, couple of rules.

1. If a page you're making has an applicable template

USE IT

2. If a page you're making doesn't have an applicable template but you feel it should have one

TELL SUNRISER ABOUT IT

3. If you feel like there should be a template and want to make one yourself

***YOU ARE SO NICE I AM
ACTUALLY GOING TO CRY
THANK YOU IT IS NOT
NEEDED BUT SUPER
APPRECIATED***

4. Use the following syntaxes for

Interesting info!

Idk honestly but I really like the color

Stuff to pay attention to/possible spoilers!

SPOILERS! They should always be tucked away in a collapsible block

Collapsible block

Extremely spoilery text

Other stuff will be added here as it is beamed into my brain by the orb I've been neglecting to ponder
